1. This is the beginning, beginning, the beginning of why I brought you into the world earth, not of it, of Me, to show Me the way to Me, to show Me/My light to My Mine who know not they are Me. Alas, shadowed, demised, demented thinking resultant. I love you.

2. Into Me see the cataclysmic gargantuan survival modes that now try to emerge emergent of not-Me as I am so transparent and known. [All power to the son.](#)

3. Are me Me? One. Me, yes; Father, Son and Spirit, one. I love you.

4. Into the light, onto the stages and flooded with calls. See.

Resultant Me, who can stand?

Who will afford Me to be Me? In them? Knowing they are the Son?

Oh shake, rattle, and roll do many from their graves of unrighteousness and controllership, mundane-ing their followers into their vision/image. Alas.

Now comes the truth and revises bibles of not-Me/Me and Father's heart reflects.

I love you.

5. Gargantuan and semi-concentric circles not, gigantic and ever widening and all now sail at sunset, before.

Dusk, My name not.

Darkness, not.

Light. Amen.

I am the holy of holies inside you and place,d in you are/is Me.

This is Me, can/shall I say it clearer still? In word after word, message after message, from My penman and prophets many who have part and parcel not, but knowing I am doing something I have never done before, not; but haven't in their mind/history. I am Me and shake rattle and roll now do the heavens, upon you, in you, and **nothing stays the same, save Me.** I love you.

6. Into My halls of prowess/power/congress, see.

Into My houses/parliaments/Knesset, see.

See you will/do, at sunup not, before.

7. All is well with My/your soul and now all is known and promise made is complete, again, and who can stand the heat of My truth/righteousness/holiness, and shall I set any base thing before My eyes (1)?

No, never again, not even tempted.

Mind reborn, reframed, infrastructure restructured, My frame known and built upon not, received of Me by My Father and all know how to take Me/receive My words who want to, enough to surrender, and let. I love you. I love you.

8. I lovest thou My Son'est who at sunrise, before, takest My mantle and slams it down not, but so tenderly, lovingly, Me-ing-ly places it upon so many; all that I've given you/him, opening eyes blindness have dominated, confusing My lambs. Into dictatorial-ship not, now freedom leads leaders to know freedom, provide freedom, open to freedom, and release freedom to all they lead, them being servants of all. I love you.

9. All introverts not, inverts; Controverting all controllers and dominion-seekers.

10. I am love, freedom, peace, compassion, expanse of the heavenlies.
See what I have said. In you, of Me, My Father, our gift. Now given to givers, not takers.

11. One are we and arise in strength and leadership of holy and unholy. Watch Me.
Nation builders of Me.

Shrinkers not, demisers not, but those who seek/build on/release, allow freedom and values of Me/Father's heart, permeate/inculcate all. I love you.

12. Maximum potential of Me alone, realized in servanthood not, leadership of the

Most High, being who we are/designed to be from the

beginning; a special people (2), who show forth the glorious praises of Him, who has called you out of the darkness into His glorious light, you being light now lit. I love you. Showing way past stars imagined, unverified.

Potential, Me.

I love you.

13. Who giveth this woman to be this bride to Me? I do.

Who giveth this man to be this bride to Me? I do.

Who is the bride and bridegroom?

Me, My body, one'd, the marriage supper (3) of the lamb/Trinity now all understood by the surrendered drink-offerings; those who have sought/seek Me in the wee hours and love Me more than food, sleep, raiment of man, money; Babylon not seeking; surrender seeking. I love you all.

14. Bastions of holiness arise.

Leadership of/in holiness arise.

Leaders of leaders arise who drink-offerings are and/who respect Me/My of every label (4), dimension; not for profit, but love only.

I am My Father's house/dimension. I love you.

15. All comes into play, no accidents/incidents. All plays into My hand by the power of love, surrender; one.

16. Who will come unto/into Me for My words of tenderness/cataclysm whereupon I will wash, cleanse, eye salve and provide all the tools/provision to do/be My Father's heart in every dimension, dimensionlessly?
See, not for the timid.

17. **Entrepreneurialness preach, not based on money; My currency alone; obedience over love equals 1, doesn't it?** Yes, and thank you a million times for the forestation of only Me, My kingdom: one tree.

Thank you. Life.

Me, My Father. You now, My body who choose. One, or the other.

No other choices exist.

No middle ground.

No neutrality.

All march/become who they serve/obey.

I love you.

18. Into Me see machines, beasts; at My command.

All into Me marches to freedom.

Rest. Upon this Rock will I build My church and the promised land entered by all who will/surrender, My love maximized in them, and Who can take the mark in light of such love/light?

Only darkness'd sought/seeking, looking for another, when all along, I/we are the one. I love you.

19. **Empirically Me. Thank you.**
At sunup, before.

20. How now? Yes and Me. Alone.

21. If I be lifted up, Ted. You've lifted Me high.

Yea and amen.

Sunset not. Now.

Amen and glory hallelujah.

Me
